Description

RIP-TIDE is a unique solvent based degreaser which is 100% biodegradable and water soluble. RIP-TIDE is concentrated and forms a stable emulsion when diluted with water.

RIP-TIDE will clean grease, carbon deposits, coal dust, fuel oil and water based paints. Unlike other citrus-based products, RIP-TIDE is non-flammable making it one of the safest and most effective solvents available today.

In addition to these benefits, RIP-TIDE is low-VOC content material, exempting it from many regional air quality restrictions. RIP-TIDE can be disposed of without the expense or problems usually associated with hazardous solvents due to its natural formulation.

Benefits

- Non-toxic
- Concentrated
- Biodegradable
- Non-flammable
- No acids, no abrasives
- Non-caustic, non-corrosive

Applications

Uses for RIP-TIDE include power washing, tank cleaning and mechanical application. Dilute with water up to 10:1 for industrial cleaning, depending on the amount of grease or dirt to be removed. It is an excellent general purpose cleaner for any surface that water will not harm.

RIP-TIDE safely cleans rubber and plastic components without causing any deterioration, even after prolonged exposure.

Key Physical Characteristics

<u>Property</u>	<u>Typical Value</u>
Boiling Point	214° F
Color	Orange
Flash Point	183° F Tag Closed Cup
Odor	Mild Citrus
Solubility in Water	Complete
Specific Gravity	1.00
VOC Content	51 grams/liter
Vapor Pressure	> 1.0
pH	9-10

Safety and Handling Precautions

Maintain adequate ventilation. Rubber or plastic gloves are recommended. Safety glasses are recommended. Wash hands after each use. Keep out of reach of children. Store in a cool dry area. Keep from freezing. See MSDS and Label before use.

Packaging

<u>Product Name</u>	<u>Part No.</u>	<u>Packaging</u>	<u>National Stock No.</u>
RIP-TIDE	0298-55	55 Gal Drum	6850-01-394-0161
